#### INDEPENDENT AUDITOR'S REPORT

Board of Directors ProAct, Inc. Eagan, Minnesota

### **Opinion**

We have audited the accompanying financial statements of ProAct, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2024 and 2023, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of ProAct, Inc. as of June 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report. We are required to be independent of ProAct, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ProAct, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ProAct, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ProAct, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### Summary of Significant Accounting Policies

### Organizational Purpose

ProAct, Inc. (the Organization) provides day support, employment and one-to-one support services to individuals the age of 14 and up. The Organization provides services out of Eagan, Red Wing, Shakopee, and Hudson, WI.

The Organization operates under the Person Center Thinking model, empowering participants as they choose from an array of goal driven services. Services are paid for by waiver and fee-for-service dollars (Federal, State and County) as well as limited grant funding.

The Organization provided services to over 921 individuals in 2023 - 2024 in the following programs:

#### **Day Support Services**

Day Support Services are provided at all 4 of ProAct's locations and provide a unique array of enrichment programming, both in-center and in the community allowing participants to choose how they spend their programming days.

Enrichment classes and activities in-center are designed to stimulate the minds of participants and include crafts, trivia and other group games, gardening, computer training, music, reading and storytelling, and exercise.

Life skills classes are also available and include social and interpersonal skill development, self-care and hygiene, health and wellness, eating and food prep, money management; as well as building fine and gross motor skills through daily exercise.

Community based enrichment programming is focused on adventure, integration and personal growth. Activities include trips to museums and theatres, excursions to area parks, shopping destinations and special community events. Volunteering, fishing, movies and quiet time at the library are also enrichment options.

Skills Training services are available at ProAct's Eagan, Shakopee and Red Wing locations. Participants perform production related skills training and activities on an actual industrial work floor, with performance evaluation and support provided on an on-going basis.

### Organizational Purpose (continued)

### **Employment Services**

Employment Services are available for individuals wanting to work in either group employment or secure competitive wage employment. Employment Specialists will help participants explore the world of work, assist with securing employment and help ensure they maintain their jobs once placed. ProAct partners with over 200 companies in Minnesota and Wisconsin to provide its Employment Services.

Employment Exploration gives participants with limited work experience an opportunity to explore employment through activities, such as small group employment education, job shadowing, tryouts, and business tours.

Employment Development Services assist participants to become competitively employed. Services can include, benefits review, job search assistance, customized employment, or paid work trials. Once placed, ProAct supports individuals to ensure a good job fit.

Employment Support Services include two types of programming, both provided in the community.

- Individualized long term support services for those competitively employed include job coaching, job counseling support, new hire assistance, advocacy, coordinating employment transportation with employers or accommodation arrangements.
- Red Wing offers group services (enclaves) include participants working in the community at partner companies performing actual job duties. Participants receive direct supervision provided by ProAct staff, job support, job coaching, accommodation arrangements, job training and on the job counseling.

Transition Services are available to high school youth with disabilities. Services provided include information interviews, career counseling, workplace and post-secondary tours, job shadows and related activities.

#### **One-to-One Support Services**

One-to-one Support Services are available for individuals with disabilities and their families that help individuals remain in or return to their home and gain more independence. Services available include Semi-Independent Living Skills, Independent Living Skills and In-home Family Support.

In-Home Family Support Services provided to individuals with disabilities and their families that enable the individual to remain in or return to their home. Funded services include household chores, food prep, grooming, money management and communication.

Semi-Independent Living Services provided to assist individuals with disabilities with living in the community. Funded services include medication management, home maintenance, hygiene, use of public transportation; money management and appropriate social behaviors.

### Summary of Significant Accounting Policies (continued)

### Organizational Purpose (continued)

Independent Living Skills Services provided to develop, maintain and improve the community living skills of individuals with disabilities. Funded services include communication and interpersonal skill building, self-care, community living and mobility/transportation training.

### **Fund Accounting**

In order to observe the limitations and restrictions placed on resources available to the Organization, the accounts are maintained in accordance with the principles of fund accounting. This is the procedure whereby resources are classified for accounting and reporting purposes into net asset groupings established according to their nature and restrictions. A description of the groupings is as follows:

<u>Net Assets without Donor Restrictions</u> – Net assets which are not subject to donor-imposed stipulations. These net assets include both board designated and undesignated amounts. Property and equipment is reported as net assets without donor restrictions.

Net Assets With Donor Restrictions — Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. The Organization reports contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

#### Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

#### Accounts Receivable and Doubtful Accounts

The Organization extends credit to its customers on terms it establishes for individual customers. Receivables are recorded at amounts billed and are generally due when billed. Amounts outstanding for more than 30 days are considered delinquent. Accounts receivable are generally uncollateralized and the Organization does not charge interest on accounts receivable balances. The Organization reviews accounts receivable balances on a periodic basis and writes off delinquent receivables when they are considered uncollectible. The Organization provides an allowance for doubtful accounts based on historical experience and management's evaluation of outstanding accounts receivable at the end of each year. Accounts are stated net of the allowance for doubtful accounts of \$5,000 and \$6,186 for the years ended June 30, 2024 and 2023, respectively.

### 1. Summary of Significant Accounting Policies (continued)

#### Investments

The Organization carries its investments at market value.

### **Property and Equipment**

All major expenditures for property and equipment over \$4,000 are capitalized at cost. Contributed items are recorded at fair market value at date of donation. If donors stipulate how long the assets must be used, the contributions are recorded as restricted support. In the absence of such stipulation, contributions of land, buildings and equipment are recorded as unrestricted. Depreciation is provided through the use of the straight-line method using estimated useful lives of individual assets.

#### Revenue and Revenue Recognition

The Organization recognizes contributions when cash, securities or other assets, an unconditional promise to give, or a notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met. The Organization has included the Payroll Protection Program Loan forgiveness as a contribution.

The Organization records contributions of nonfinancial assets at fair market value at date of donation. The Organization's policy related to contributions of nonfinancial assets is to utilize the assets given to carry out the mission of the Organization. If an asset is provide that does not allow the Organization to utilize it in its normal course of business, the asset will be sold at its fair market value as determined by appraisal or specialist.

Government grants and contract funds are recorded as revenue when earned. Revenue is earned when eligible expenditures, as defined in each grant or contract, are made. Funds received but not yet earned are shown as refundable advances. Expenditures under government contracts are subject to review by the granting authority. To the extent, if any, that such a review reduces expenditures allowable under these contracts, the Organization will record such disallowance at the time the final assessment is made.

Consumer employment revenue is earned by using the clients involved in the center-based employment program and on-site workers to complete production contracts.

#### Functional Allocation of Expense

Expenses are recorded in functional categories when incurred. In certain cases, allocations between categories must be made. Fundraising expenses were minimal and are included in Management and General expenses. When allocations are made, the basis for the allocation is as follows:

Salaries and related expense	Allocated based on estimated time spent.
Other expense	Allocated based on best estimates of management.

### 1. Summary of Significant Accounting Policies (continued)

### **Income Tax**

The Organization has a tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and has adopted *Accounting for Uncertainty in Income Taxes*, ASC 740-10. The Organization's policy is to evaluate uncertain tax positions, at least annually, for the potential for income tax exposure from unrelated business income or from loss of nonprofit status. The Organization continues to operate consistent with its original exemption application and each year takes the necessary actions to maintain its exempt status. It has been classified as an organization that is not a private foundation under the Internal Revenue Code and charitable contributions by donors are tax deductible. In compliance with its exempt status, the Organization annually files a Return of Organization Exempt From Income Tax (Form 990).

#### Reclassifications

Certain amounts in prior year comparative totals have been reclassified to conform with the presentation in the current year financial statements.

#### Leases

The Organization determines if an arrangement is or contains a lease at inception. Leases are included in right-of-use (ROU) assets and lease liabilities in the consolidated statement of financial position. ROU assets and lease liabilities reflect the present value of the future minimum lease payments over the lease term, and ROU assets also include prepaid or accrued rent. Operating lease expense is recognized on a straight-line basis over the lease term. The Organization does not report ROU assets and leases liabilities for its short-term leases (leases with a term of 12 months or less). Instead, the lease payments of those leases are reported as lease expense on a straight-line basis over the lease term.

#### **Risks and Uncertainties**

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions can affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses.

#### Subsequent Events

The Organization has evaluated the effect that subsequent events would have on the financial statements through October 1, 2024, which is the date financial statements were available to be issued.

### 8. Fair Value

Fair value is defined as the price that an organization would receive upon selling an investment in an orderly transaction to an independent buyer in the principal or most advantageous market for the investment. Various inputs are used in determining the value of investments. A three-tier hierarchy of inputs establish a classification of fair value measurements for disclosure purposes. The three-tier hierarchy of inputs is summarized in the three broad levels listed as follows:

- Level 1 Quoted prices in active markets for identical investments.
- Level 2 Other significant observable inputs (including quoted prices for similar investments, interest rates, prepayment speeds, credit risk, etc.)
- Level 3 Significant unobservable inputs.

The following is a summary of the inputs used to determine the fair value at June 30, 2024:

	Level 1	Level 2	Level 3	Total

### 9. Operating Leases

The Organization has operating leases for office space. The right-of-use (ROU) assets represent the Organization's right to use underlying assets for the lease term, and the lease liabilities represent the Organization's obligation to make lease payments arising from these leases. The ROU assets and lease liabilities were calculated based on the present value of future lease payments over the lease terms. The Organization has made an accounting policy election to use a risk-free rate in lieu of its incremental borrowing rate to discount future lease payments.

The following summarizes the line items in the statements of financial position which include amounts for operating lease as of:

	June 30,
